## SMAR<sub>x</sub>T DISPOSAL

A Prescription for a Healthy Planet

**Protecting the environment is everyone's responsibility.**

**DO NOT FLUSH unused medications and DO NOT POUR them down a sink or drain.**

Follow these simple steps to help safeguard lives and protect the environment:

-  Pour medication into a sealable plastic bag. If medication is a solid (pill, liquid capsule, etc.) crush it or add water to dissolve it.
-  Add kitty litter, sawdust, coffee grounds (or any material that mixes with the medication and makes it less appealing for pets and children to eat) to the plastic bag.
-  Seal the plastic bag and dispose of it in the trash.
